

# 6 cool things to do in Dubai this week: March 28 to 31

## Sunday March 28

### 1. Check out an awesome new eatery

If you're in the mood for proper Italian food, look no further than casual diner La Fabbrica Italiana. The new eatery has opened on Wasl 51 and is already a big hit with the residents. Serving only three items, the ingredients are all imported from Italy and it shows in the flavour. The spot serves more than 12 varieties of focaccia with toppings from bresaola to truffle, smoked salmon, Nutella and much more. Other items on the menu include fresh buratta and traditional tiramisu.

*La Fabbrica Italiana, Wasl 51, Al Wasl, daily 11am to 11pm. Tel: (0)4 547 0719. @la\_fabbrica\_italiana*
